Coronavirus Reports

Dear Parents/ Carers

School will break up at 3pm on Friday 18th December.

Should your child develop coronavirus symptoms during the Christmas holidays you must arrange a test as soon as possible and follow medical advice.

If your child develops symptoms either on Saturday 19th December or Sunday 20th December and you arrange a test you MUST let school know. You can do this by e-mailing covidreports@carnforthschool.org

Once the test result is received, whatever the result, you must also send an email to the address above.

Schools have a duty to inform all families if a child has been in contact with a confirmed case, where symptoms have developed within 48 hours after the last day of school. (ie 19th and 20th December) If this were the case, any child/adult who had been with the confirmed case would need to isolate for 14 days.

Any child developing symptoms from Monday 21st December onwards, would book a test as normal but would NOT need to inform school.

We sincerely hope that all of you have a happy and healthy Christmas, but please keep this letter for reference.

Kind regards,

Mrs S. Wood
