This is how we stay safe when we use computers:

- I will attend the Teams sessions and complete the work provided by my teacher
- I will communicate responsibly and kindly
- I will attend all video calls in a communal place (e.g. living room), not in my bedroom
- I will keep my passwords safe and not share them with anyone other than my parent/guardian
- I will only use my login details and I will log off when I have finished
- I will keep my camera off in all video calls
- I will not take any photos or videos of the online meetings
- I will tell an adult if I see or read anything online that makes me feel uncomfortable
- I will not post anything related to school on social media
