

What to expect from remote learning – a guide for parents (EYFS)

What school will do

All schools have a duty to provide a good quality of education to all pupils, whether they are physically attending school or learning remotely. We are fully aware at Carnforth School that every family situation is unique, and our remote learning offer is designed to support all families whether children have access to digital devices or not. Work completed remotely will be very similar to that completed by children in school – the curriculum coverage will be exactly the same.

Work provided for children will cover a wide range of the curriculum, with a particular focus on reading, writing and maths and is designed to last around three hours per day in total. Work will be planned in two-week blocks. Every two weeks you will receive:

- A timetable – this is a guideline, however work can be done in any order.
- Paper booklets – these support both the teaching of new learning, include instructions of what to do and also sometimes give children space to write their answers. An exercise book has also been provided in the first work delivery for children to record their work in.
- A reading book (you can arrange to change these by contacting the school office).

We plan to make deliveries of work at the following times:

	Will be delivered between:	For children to complete between:
Pack 1	6 – 8 th January	11th – 22nd January
Pack 2	20 – 22 nd January	25th January – 5th February
Pack 3	3 – 5 th February	8th - 26th February This will include half-term week (when no work will be expected) At present the earliest schools will open fully is Monday 22 nd February. However, work will be delivered and planned in case lockdown is extended.

How you can help

We expect that families will support their children in the following ways:

- Encourage and support children to complete work daily.
- Provide a space to work – preferably sat at a table in a quiet area with few distractions.
- Where appropriate, upload work completed onto Tapestry
- Keep any completed work on paper safe, so that it can be returned to school at an appropriate time.
- Discuss feedback from your child's class teacher with your child.

What teachers will do

Teachers will assign a range of activities including reading/phonics skills, writing and maths work in time for the start of the timetabled lesson. Please refer to the timetable you have been provided with. If you have a query over the activities, then your teacher can be reached via email at: reception@carnforthschool.org.

Teachers will feedback to Tapestry posts added as well as making records of engagement with work set. It is VERY important that all children complete work to the best of their ability in order that they continue to make progress in their learning.

If at any time, you are concerned about your child, or require advice please email your child's teacher at reception@carnforthschool.org. Please be aware, teachers will only be able to read and respond to emails within their wider working hours (usually between 8 – 8.30am; 3.30 - 5pm).
