Coronavirus – Update Key Workers/ Vulnerable Pupils

Dear Parents/Guardians,

Your child has been allocated a place in school from Wednesday 6th January 2021.

As you know the UK government has announced the closure of all UK schools. I am writing to confirm that your child is eligible for a place in school and now has been allocated a space. We will be opening the school from 8:45am until 3pm Monday to Friday for your child. As part of our normal school offer we will run Breakfast Club and Little Pears Provision each day however, normal charges for these services will remain in place.

- Breakfast Club is 50p per child per day
- Little Pears is £3.50 from 3pm to 4:30pm

We would ask that in order to support our staffing arrangements you book both Breakfast club and the wrap around care needed on a week by week basis through squid. All bookings should be made by Friday for the following week.

Please ensure your child comes to school in full school uniform. All children need to ensure a warm coat.

Normal procedures will still be in place should a possible Coronavirus case be identified in school and it would be necessary for bubbles to close and children to isolate.

If your child is entitled to either Free School Meals or Universal Free School Meals (Reception to Year 2) then a meal will be provided. If your child is not eligible for these meals then they may bring in a packed lunch in a wipeable container or order a paid school lunch in the normal way. All children will need to bring in a drink in a named, washable bottle.
