

My Reading Passport

Year 3 and 4

Name:

Year:

'There is no such thing as someone who doesn't like reading, it is just that they haven't found the books they like yet.'

Welcome to your reading passport.

We love reading at Carnforth school and believe it is the key to success.

Sometimes it is difficult to find the right book so we have compiled a list of books that the teachers have recommended for you to read. The list includes fiction, non-fiction and poetry.

Use this booklet like a passport; when you have read a book from your list, show an adult at school to earn a tick. For every 5 books you have read from your list, you will earn a sticker to put at the back of your reading diary. When you have read all of the books from your list, you will earn a certificate and a prize.

You can read these books at school or at home, alongside your 'RWI phonics' or 'Accelerated Reader' reading book.

We look forward to seeing your reading achievements.
