How do I book/pay?

To initially register for Little Pears, please email the school office for a starter pack.

office@carnforthschool.org

We require a completed set of registration forms for your child/children before they can attend the club.

Once registered, users can book and pay for all sessions via the Squid app. There will be a few places every day for 'short notice' bookings if needed due to unforeseen circumstances. Just let the office know by 3.00pm.

Who are we?

We are an After School Club for children who attend Carnforth School. 'Little Pears' is a service provided for our busy families who need a safe place for their children to be cared for while they are at work or need to attend appointments. Children are cared for by Miss Holland and Miss Smith who are familiar faces in our school community.

What will they do at the club?

Children will be able to take part in appropriate activities and games to keep them amused, improving their social skills and encouraging new friendships. The club has a very relaxed atmosphere and children are able to choose from a variety of activities each day. A range of healthy snacks are provided during the session.
