Registering for Arbor:

In the browser (on a laptop, PC or tablet), please open https://login.arbor.sc
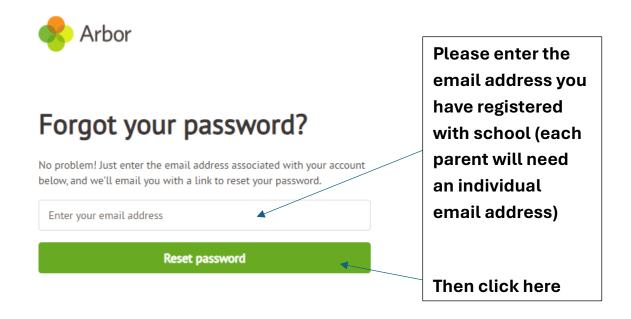

This is the home page:

Click here

This is the second screen:

Please enter the email address you have registered with school (each parent will need an individual email address)

Then click here

You will receive an email to set a password and register your child(ren).

Please do this asap as all cash and bank transfer payments have now ceased.

If you need any help, please call into the school office.
